

WAVERLEY

NIGHT TENNIS

AUTUMN 2011

Autumn Season commences this coming week

Welcome to all of you to what we hope will be a much drier season!

We have a number of new teams and we trust that the old stagers will make them welcome and that they enjoy their season with us.

Re Draws: Due to the long lead-time between the handbook going to print and the start of the season there have been a number of changes to the draw. These affect all three nights.

We strongly recommend that you go to www.waverleytennis.asn.au scroll down to “night draws” then select your section then print off an updated copy of where you are scheduled to play and when.

Online Scoring: For the benefit of new teams/captains we have attached a separate file that provides detailed information. Please note the close off times as these are really important. Should you have any problems please contact Eric Beeston on 9801 0798.

Social Activity: This activity can be an important part of your tennis enjoyment. We understand that some players need to leave as soon as they finish however not all do and the offer of a cup of tea or coffee is often appreciated.

Starting Time: It has been noticed that in some instances clubs have not been open and ready for play on time and some teams/players have been late arriving on a regular basis. We would ask all captains to make an effort to overcome this problem.

Should any of you have any queries/problems during the season please feel free to contact me on 9801 0798.

HAVE A GREAT SEASON EVERYONE

Best Regards
Eric Beeston
