- A) The Applicant must be available for interviews, assessment and trials if required.
B) **If selected**, applicants must enrol with full payment by the first week of training. The amount paid per term is dependent on the session length. **A deposit of \$50 per player is payable upon application**, which is then deducted from the fourth term fee. Non-payment will mean that players are not permitted to train in squads or to be selected in Inter Association challenge teams. Parents who are experiencing difficulty with the payment schedule should contact one of the Waverley Tennis Junior Development Squad Liaison Officers.
C) **All players** are expected to take part in a series of intra squad challenge matches against other squad members within their level and also players above their level. These intra squad matches form the path for progression through squad levels.
D) Participants in the training program must be available to represent Waverley Tennis in matches scheduled during or following the period of enrolment, and meet any costs associated with the program but not covered by enrolment fees (such as uniform, transportation, accommodation, billeting, entry fees, optional training modules etc).
