PRESIDENT'S MESSAGE

Dear Waverley Clubs and Players,

Welcome to the Summer Season 2023/2024.

It's great to see strong club and participation for the Summer season.

Thanks to the Waverley Tennis Match Committee members and our member clubs for the huge team effort it takes to pull this all together. It's a partnership effort that works because of the great volunteering effort by all concerned.

Changes can take places, particularly early in the season, so please make sure you regularly check the Waverley Tennis website at www.waverleytennis.asn.au and the Waverley Tennis Facebook for Summer Season fixture details, club locations and club officials.

Please also ensure your club and representative details for various competition are up to date on TROLS. We download contact information on an ongoing basis to share important communications with you and need you to share this information with your players. If this doesn't happen, important updates can be missed.

Junior team numbers this season are almost the same on both Saturday and Sunday mornings. For the first time we have a President's Cup Sunday morning section. The large number of junior teams on Sunday morning means there will be pressure on court availability whilst Junior Pennant (AJP) runs in parallel with our Association weekly competition. This should be over by early November as that competition finishes. We will also advocate to shift AJP to Sunday afternoons in the future.

At junior matchplay, the role of the Venue Supervisor is all important. Affiliates are reminded that the **HOT LINE at 0468 958 927** is available to assist Venue Supervisors requiring immediate assistance on match days. We hope you like the new supervisor vests that we have provided to each club to help with venue supervisor visibility. It's important that supervisors are easily identifiable and found, so any potential issues can be dealt with quickly.

All Waverley match results are directly batch uploaded fortnightly to Universal Tennis (UT). Players can claim their results by creating a free account with UT (anyone who has played Waverley Tennis competition over the past two years will have results on the UT platform).

We encourage all players to claim their UT scores and create an account, as it provides an individual match playing history (for singles and doubles), whereas TROLS does not keep records for prior seasons. For players wanting to step up into inter-association and tournament tennis, having a UTR often an entry requirement for player grading as well.

Information on how to create your account has been provided by UT as a poster that all clubs received at our pre-season match convenors meeting. A Tennis Australia number is not needed to register. The UT platform is where players can go for their individual results, whereas TROLS is where they go for their team results and ladder positions.

We have in place protocols for incorrect scores to be updated on advice from club competition convenors (not parents), and then to be overwritten with corrected scores with the next batch upload.

Please ensure that your officials and players use the notes section of the scorecards to record any pertinent information for the score upload to UT is correct. For example, if a player forfeits, the ladder score will be recorded as a 6-0 win to the team that did not forfeit, but this score will not be uploaded to UT (as it was not a match that took place). Where matches are incomplete (e.g. player injured), then we upload the score at the time the match finished. Conversely, if a player plays out of order and the points for ladder purposes are forfeit, the result can be uploaded to UT, as the match result still counts for that purpose.

We have created a UTR page on our website (under the Resources tab) that has a series of FAQs if you have questions. In addition, the contact details for UT's representative in Victoria is listed if you have other questions.

We of course want all matches to be played in a sportsmanlike and safe manner and be enjoyed by both players and spectators alike. To that end, I note that many clubs have not resumed the tradition of hosting afternoon tea for their visitors. As a personal observation I reflect on how important learning how to both win and lose graciously is a life skill my children learned through tennis, and I'd love to see more clubs participating in the practice again.

I would love anyone in our clubs interested in participating on a sub-committee or on special projects to get in touch with me to let me know about their specific skills, ideas and interests and to help me prioritise key projects and areas of focus for the Association. Many hands make light work.

Finally, I wish all players and Club Administrators a successful Summer Season and an enjoyable experience playing in Waverley Tennis.

Kind regards,

Delyth Samuel

TENNIS AUSTRALIA

ETIQUETTE & RULES FOR NON-UMPIRED MATCHES

5. MATCHES PLAYED WITHOUT A CHAIR UMPIRE

5.1 GENERAL RULES

All players should be aware of the following basic principles when playing a match without a Chair Umpire:-

1. If in doubt, the player must give the benefit of any doubt to his/her opponent, in particular regarding line calls.
2. Each player is responsible for all calls on his/her side of the net, however it should be noted that a Court Supervisor or Referee is permitted to reverse an incorrect line call. This reversal may be made by the official located within (whilst adjudicating) or outside the court enclosure. On the first occasion where this occurs the point will be replayed (regardless of whether it was a point winning shot or not) and for subsequent incorrect calls the player loses the point.
3. If in the opinion of the Court Supervisor or Referee an incorrect line call is a deliberately blatant action, the offending player will automatically lose the point and may receive a code violation for Unsportsmanlike conduct.
4. All "out" or "fault" calls should be made promptly after the ball has bounced and must be loud enough for the opponent to hear.
5. If a player incorrectly calls a ball "out" and then realises that the ball was good, the point should be replayed, unless it was a point winning shot or unless that player made an incorrect "out" call earlier in the match. In these circumstances, the player who called "out" loses the point.
6. A service "Let" may be called by either player/team.
7. Foot faults may only be called by an official standing on court or by a chair umpire. Players may be requested to correct their foot faulting problem by a Referee or Court Supervisor, who will require the player to make an effort during the match to rectify the problem. The receiver may not call a foot fault against the server.
8. The receiver must play to the reasonable pace of the server. Both players must ensure they restrict their warmup time, and minimise time between points and at change of ends.

TENNIS AUSTRALIA

ETIQUETTE & RULES FOR NON-UMPIRED MATCHES (cont'd)

9. To avoid controversy over the score, the server should announce the game score before starting a game and the point score prior to serving for each point, and must be loud enough for his/her opponent to hear.
10. If players cannot agree on the score, they should calmly discuss the points/games that are disputed. All points or games which the players agree on stand and only those in dispute should be replayed i.e. two players cannot agree on whether the score is 40-30 or 30-40 and disagree only on who won the first point in the game. The game shall continue from 30-30, since both players agree that they have won two points each.
When the game score is in dispute the same principles applies i.e. two players cannot agree on 4-3 or 3-4, and disagree only on who won the second game. The match shall continue from 3-3, since both players agree that they won three games each. The player who received in the last game that was played will serve in the next game.
Where there is a score dispute, a player must make a reasonable effort to remember the actual score i.e. points/games played.
11. When a player has created an involuntary hindrance (ball falling out of pocket, hat falling off, etc.), the first time a "let" should be called and any similar hindrance thereafter will be ruled deliberate.
12. Any hindrance caused by a player that is ruled deliberate by the relevant official will result in the loss of a point.
13. Where a ball interrupts play, either by rolling/bouncing onto the court, and/or creating a visible interruption behind the court a let should be played. Either player can call a let in these circumstances provided they do so in a timely manner. Where this is between a 1st and 2nd serve, a second serve only should be played.
14. In a situation where a ball is lying on the court at the commencement of the point (1st or 2nd serve) it will be deemed to be part of the court during the rally. Movement of this ball during the rally does not constitute hindrance.
15. Players are entitled to request their opponent to remove the ball from the court prior to the commencement of the point.

TENNIS AUSTRALIA

ETIQUETTE & RULES FOR NON-UMPIRED MATCHES (cont'd)

16. When ball persons are not available, all balls on your side of the net are your responsibility to pick up and return directly to the server.
17. The receiver should not return the first service if it is an obvious fault – let it go by or ground it.
18. Either player is allowed to call a foul shot or “not up”, providing this occurs in a timely manner.
19. Players should only leave the court for a toilet break, or any other reason, with the permission of Referee or Court Supervisor.
20. If at the completion of a match, the players involved realise that the scoring format used was incorrect, the match result shall stand provided all players have left the court enclosure. If the mistake is realised before the players have left the enclosure, the correct scoring format should be used to finalise the match. If this is not possible (i.e. the match has progressed beyond the point where the correct scoring format can be implemented), then the score based on the incorrect format stands. (Refer to correcting errors in the Rules of Tennis).
21. Where a Code Violation second offence/Point Penalty is determined by the Referee or Court Supervisor this may be applied at any time during the specific game where the offence occurs. If the point penalty cannot be issued during the specific game a code violation second offence will still be issued. It should be noted that any code violation second offence between games is deemed to be part of the following game.
22. Screaming regularly and loudly, whether in relation to winning and/or losing a point is likely to cause interference to play on nearby courts and may be considered Unsportsmanlike Conduct.
23. Constant overt celebration directed at an opponent may be considered intimidation, and therefore Unsportsmanlike Conduct.
24. If a player is unhappy with his/her opponent's actions or decisions, he/she should call the Referee or Court Supervisor immediately.

5.3 MATCHES PLAYED ON CLAY COURTS

For matches played on clay courts, there are some additional procedures that all players should follow:

1. A ball mark can only be checked on a point ending shot, or when play is stopped (a return is permitted, but then the player must immediately stop).
2. Players are prohibited from checking the mark of the ball on their opponent's side of the court, unless invited by their opponent to do so.
3. If a player erases the mark, he/she is conceding the call.
4. If there is a disagreement over a ball mark, the Referee or Court Supervisor can be called to make a final decision.
However, where a player is consistently making incorrect calls resulting in numerous ball mark inspections, a Code Violation may be applied.
5. If a player calls a ball “out”, he/she should, in normal circumstances, be able to show the correct mark.
6. If a player incorrectly calls a ball “out” and then realises that the ball was good, the player who called “out” loses the point.

Players who do not fairly follow these procedures could be subject to the Hindrance Rule and the Unsportsmanlike Conduct provision of the Code of Behaviour. Any questions on these procedures should be referred to the Referee.

5.4 ETIQUETTE

1. Players are expected at all times to shake hands with their opponent(s) at the completion of a match.
2. Do not enlist the aid of spectators, including parents, coaches in making line calls, or attempting to determine the score or other on-court matters.
3. Wait until a point is over before walking behind a court where a match is in progress.
4. To retrieve a ball from another court or to return a ball to another court, wait until the players have completed a point.
5. Do not stall, sulk, complain or practice gamesmanship.
6. In doubles, when returning service, the partner of the receiver should generally call the service line for him/her.
The receiver should generally call the centre and side service lines. The call needs to be loud enough to stop their opponents/partner playing.

7. TENNIS RULES

The Rules of Tennis issued with the Approval of Tennis Australia shall apply to all matches except as hereinafter modified.

8. COMPOSITION OF TEAMS/TYPE AND ORDER OF PLAY

All sets shall be first to six games, excepting that in all Senior play and Junior Singles/Doubles Sections a 12 point tiebreaker shall be played at six all.

Note variations in paragraphs (a) Open Rubbers formats, and in paragraph (d) below for the Junior President's Cup.

During all Senior and Junior matches, players should not leave the court except for a toilet break.

(a) OPEN RUBBERS - SUMMER & WINTER FORMAT

Four players, any combination of Men and Ladies

Match Format:

Matches shall consist of four rubbers. Each player plays 2 rubbers.

Method of Play:

All rubbers shall be "Best of Two" sets where if these rubbers are tied at one set all then the rubber is decided by playing a match tiebreaker, first to 10 by a margin of 2. This tiebreaker (which replaces the third set), is recorded as 7-6 to the winning team on the scoresheet, even when the rubber is at one set all due to a forfeit.

Determining Winner:

The majority of rubbers shall decide the match. If rubbers are equal, sets to decide. If rubbers and sets are equal, games to decide.

- (b) **RON HORNE CHALLENGE CUP AND SENIOR SINGLES/DOUBLES RUBBERS - OPEN (Summer & Winter)**
(Saturday p.m. Preferably Two Courts)

Match Format:

Determining Winner:

Matches to be decided by the team with the most rubbers.

Order of Play in home and away matches:

The home club may choose whether 2 singles or the doubles rubber is played first. All players should therefore be present at the official starting time.

Finals only:

Under these circumstances, games won or lost will be scored by both teams, the sets for which a player is not available being forfeited 6 games to love. Likewise, in Saturday and Sunday Triples matches, the team shall play two players instead of giving a walkover.

In all Senior formats except Singles/Doubles, a team with only 3 players available **shall** play the match instead of giving a walkover in which case By-Law 12 as it relates to complete team in attendance will not apply. Under these circumstances, games won or lost will be scored by both teams, the sets for which the player is not available being forfeited to love.

For all Junior Triples matches where a team is one player short, the opposition team should, where possible, exclude the equivalent player in the Order of Merit within their team.

For final series, the 4 team section is restricted to the final and the 6 team section is restricted to knockout semi-finals and finals.

10. REGISTRATION OF PLAYERS

- (a) All players will receive an individual grading as a player of either A, A Reserve, B Special, B, C Special, C, D Special or D.

- form. (Grading is to be Selectors' not team Captain's). This emergency registration does not mean that the player is automatically accepted in that grade. If unacceptable, player will be regarded as an unregistered player for that grade. No phone emergency registration will be accepted. Emergency players must not strengthen a team, in the opinion of the Match Committee.
- (h) In the event of a player being nominated for registration by more than one club, the player concerned shall have the right to say which nomination shall stand.
 - (i) The Committee of Management shall have the right to reject any registration.
- 11. ELIGIBILITY**

 - (c) Emergency players may interchange between Open Doubles and Open Singles/Doubles sections and may play any number of matches in a higher grade, or higher section within grade, until tied as in 11 (b) above.
 - (d) In the event of a Club being represented by more than one team in the one section, no player having participated in more than three matches with one team shall be eligible to play thereafter in the other team.
 - (e) No player may play in the final series unless they shall have played **three** home and away matches. For Juniors, date of birth must also have been provided.
Should an ineligible player play in a home and away, or finals match, any rubber(s)/sets in which such player competes shall automatically be awarded to the opposition. However, a match can still be won by a team with an ineligible player should the majority of remaining rubbers/sets be won by that team.
 - (f) All players registered must be financial members of the Clubs registering them.
 - (g) Except with Match Committee approval, no players may play in matches if they have already played in another Association whose matches are played concurrently on Saturday mornings and Sunday mornings (for Juniors) and Saturday afternoons (for Seniors).
 - (h) No player shall compete in more than one Association Senior or Junior fixture listed in the same round for simultaneous play.
 - (i) To be eligible for Juniors, players must in any season they play be 18 years of age or under as at midnight on the date of the scheduled Saturday/Sunday Grand Final for that season.
 - (j) No player may represent more than one Club during the currency of the same Competition Season, unless formally cleared in accordance with By-Law 5.
 - (k) The Match Committee shall have sole discretion on making decisions on the eligibility of players not specifically provided for within the By-Laws.
 - (l) Junior or Senior players who compete in Saturday or Sunday competitions DO NOT qualify for the finals on the alternative day to their regular competition.

- (m) As Saturday and Sunday Junior competitions are separate competitions, players may play for a different club in each competition.
 - (n) **Heatouts and/or Washed-out matches do not qualify as a match towards finals eligibility.**
- 12. COMMENCING/FINISHING TIME OF MATCHES**
- All Saturday Junior matches shall commence at 8:15 a.m. and Sunday Junior matches shall commence at 8:30 a.m. (First set hit-ups should be prior to these times.)
All Senior matches shall commence at 1:00 p.m. (First set hit-ups should be prior to these times.)
A 5 minute hit-up must be permitted prior to the 1st set for each player in a match, even if a player arrives late. No further hit-ups are allowed. This applies to both Junior and Senior matches.
All Home and Away matches MUST be played at the designated times as stated above.
If either team is unable to put on any set (listed on the scorebook) within 15 minutes of the scheduled start time, the offending team shall forfeit the first set / first set of rubber to nil.
Upon completion of the first and/or each subsequent set, if opposition is not available to commence play within 10 minutes, the next set shall be forfeited. In applying this By-Law, matches are to be considered to be played on ONE COURT ONLY, regardless of the availability of a 2nd court.
Except where a team is playing with one player short (By-Law 8f) a complete team must be in attendance by 8:45 a.m. for Saturday Juniors, 9:00 a.m. for Sunday Juniors and 1:30 p.m. for Seniors, otherwise the match shall be lost by the defaulting team as a forfeit - see also By-Law 6 re Club Fines and By-Law 8(f) - Playing With One Player Short.
All Junior matches will conclude at 12:15 p.m. Saturdays (12:30 p.m. Sundays) If in the middle of a set, the GAME that is in progress will be completed, but not the set.
- 13. COMPLETION OF SCORESHEET PRIOR TO MATCH**
- Before the commencement of any match the opposing captains **MUST** enter team members' names in order of play on the scoresheet.
Before the commencement of any Finals match, the opposing captains must pass their separate lists showing names of players in order of play to the home club supervisor who shall fill out the scoresheets on behalf of both captains. Scoresheets should then be readily available throughout match for reference, as required. Once scoresheets have been filled in no changes to order of play are permitted.
The only exception shall be in the case of a Finals match involving a substitute player and then only in the event of the match not having been commenced on the date of the total washout.
In the event of a query of a match result on a scoresheet, the club who is querying the supplied information, MUST supply a copy of the scoresheet to confirm the recorded information is incorrect. Failure to do so, will mean the registered result shall stand.

14. WEATHER/COURT CONDITIONS

Waverley Tennis has adopted the Tennis Australia Extreme Weather Policy. Full guidelines of the policy may be found on the Tennis Australia website. A copy can also be downloaded from our website.

Extreme Weather, as defined by this policy, includes Extreme Heat, Wet Weather, Lightning, High Winds and Smoke.

For the purposes of this section, Waverley Tennis has taken a more conservative approach than is given in the Tennis Australia policy and we require that:

All play must be suspended (on completion of the current game) and no further matches are to commence if the temperature is 35° C or greater.

- (a) In the event of extreme weather, individual matches may be cancelled without teams attending the courts, providing that it is mutually agreed by both captains, otherwise players must attend courts.

Mutual agreement is only when the captains communicate with each other, and agree to cancel the match.

Cancellation of matches in advance by text, phone or voicemail message is not acceptable; two-way communication is essential.

Should a visiting team wish to contact a venue club to clarify if a match will proceed, it is recommended to ring either the club phone or the Junior/Senior Convenor's mobile number.

For Junior and Senior matches, in the event of lightning and thunderstorm play must be stopped immediately.

For Junior matches, upon agreement by both club's Junior Convenors, a match may be cancelled without both teams attending the courts.

Where there is no attendance both teams must enter their player lists using the "By Ph" feature on the Club Zone website.

Junior matches: When play is stopped due to weather or court conditions the home club Venue Supervisor is responsible for making the decision to abandon any match, taking into account current court conditions, the likelihood of further play interruptions and time needed to restore courts to a safe playable state in time for matches to be **completed in the normal time frame.**

Senior matches: If play is stopped due to weather or court conditions, both captains must agree before the match is abandoned. However, if play has not resumed within one and a half (1½) hours after the cessation of play, then either captain shall have the option to abandon the match.

- (b) On days of extreme heat when the temperature reaches 35° C, individual matches may be cancelled without teams attending courts providing it is mutually agreed to by both captains otherwise players must attend courts. Where there is no attendance both teams must enter player's names using the "By Ph" feature on the Club Zone website.

Notwithstanding the foregoing, play may be cancelled below this temperature with consent of both captains.

For the purposes of this By-Law, the temperature used is as provided by the Bureau of Meteorology, either on their app or on their website, **and** according to the BOM weather station closest to the venue courts.

- (c) **The home Club has the right to decide as to whether courts are unfit for play, however, either captain shall have the option to stop play during rain, even if the court surface is deemed fit for play.**

In all Junior matches, only the club supervisor or Junior Convenor may cancel a match due to inclement weather by initialling the scorebook.

- (d) If the home Club deems, in the preceding days to scheduled matches, that its courts have been rendered unplayable by **wind damage**, or by **flooding**, and a reasonable effort has been made by the home Club to restore the court/s in time for scheduled matches, each match unable to be played will be declared a 'wash-out'. In such circumstances, the home Club, in the case of Junior matches, must notify the Secretary of the opposing Club/s and the Association Secretary before 8:00 p.m. on the day preceding the match/es. For Senior matches, the home Club must notify the Secretary of the opposing Club/s and the Association Secretary before 10:00 a.m. on the actual match day.

The requirements pertaining to the non-attendance of teams (ref. By-Law 14a) shall apply.

- (e) If Junior matches have not commenced by 9:45 a.m., play will be called off. If Senior matches have not commenced by 2:30 p.m., and unless otherwise mutually agreed to by both team captains, play will be called off.
- (f) Players from both Senior and Junior competing teams are required to bag and water courts after each set. In the event of inclement weather it is expected that players from both competing teams will assist with preparing the courts ready for play.

15. SUBSTITUTES DURING MATCH

- (a) A substitute shall be allowed to take the place of any player who is prevented, through illness, injury, or any good and sufficient reason from continuing the match, however, all remaining games of the incomplete set shall be forfeited. In both Junior and Senior Rubbers Matches, where a player is injured or ill the remaining unplayed games/sets of the rubber shall be forfeited. A replacement player may commence from the start of the next rubber.

If a player advises their opposition of an illness or injury prior to commencement of their 2nd rubber, the first set of this rubber shall be forfeited 6-0.

In sets matches, a replacement player may replace an ill or injured player in a new set without penalty.

- (b) Matches completed using a substitute player are designated as played 'under protest' unless the opposing captain signs the match scoresheets after confirming the substitution as being fair. A 'fair' substitution is where the substitute player has the same personal grading, or lower, when compared to the Competition grade in which that player is being used as a substitute.
- (c) A team requiring a substitute player shall be allowed thirty minutes, from the time of the occurrence of the event which led to the need for a substitute, to arrange such a player to be in attendance and on court ready to play.

- (d) The By-Law covers both home and away matches and final series matches, except that, in the case of an unfinished final, a substitute player is allowed to take the place of a player unavailable on the next scheduled match date without penalty, with play resuming from where it left off. Unless special permission is granted in writing by the Waverley Tennis Match Committee, such substitute must be eligible as per By-Law 11.

NOTE: Clubs wishing to substitute players in resumed final series matches should seek the approval of the Tennis Association, preferably in writing, before making substitutions on the day of the resumed matches.

- (e) In Junior finals where clubs have rotating teams, the option to use up to 5 players in a match is permitted. Providing the order of merit of singles players is maintained, the substitute player can play in any position.
- (i) For each final the team must be nominated as usual however teams are allowed to add any other rotating team members into position 4, or positions 4 & 5.
- (ii) All such substitutions must be declared on the scoresheets prior to the start of the match and no changes may be made once the match has commenced (except as provided for in By-Law 15(a) - Injury or 15(d) - Unfinished Finals).
- (iii) To be eligible, the rotated substitute players must have played at least 3 matches for the team during the season.

With 1 substitute player, the #1 player will play 3 sets, and players 2-4 will all play 2 sets.

With 2 substitute players, players 1-4 will all play 2 sets, and the #5 player will play 1 set.

The order of play and doubles pairings are detailed on the scoresheet.

The number of players used determines which column the team uses, either Three, Four, or Five.

If the home team has 3 players and the away team has 5, then the home team uses the Three column pairings, and the away teams uses the Five column pairings.

Singles players play against their nominated opponent in all 3 variations.

16. LATE FINISHING MATCHES/LIGHT-UP TIME

In Summer Senior Competition, unless otherwise mutually agreed to by both team captains, no set or sets shall commence after 6:30 p.m.

In Winter Senior Competition, unless otherwise mutually agreed to by both team captains, no set or sets shall be commenced after Official Light-Up Time (refer Handbook Index for page number) or after local street lights are activated should that be earlier. If a **GAME** has commenced prior to either of these times, it shall be completed, then play shall cease. Official Light-Up Times are as published in the Winter Handbook.

Except for Finals, clubs are not permitted to use lights in order to complete matches even if it is dark before Official Light-Up time, with the exception of Indoor Venues which may use lights throughout match play if required.

In both Summer and Winter Competition, points for any sets which have not commenced by the designated time shall be shared, as is the case for an uncompleted set (refer By-Law 20. POINT SCORE).

In Junior Competition, no set or sets shall be commenced beyond 12:15 p.m., (12:30 p.m. for Sunday Matches), except that any **GAME** that is in progress will be permitted to be completed, but not the set or sets (ref. By-Law 12). Points for any sets which have not commenced by the designated time shall be shared, as is the case for an uncompleted set (refer By-Law 20. POINT SCORE).

The above provisions for Senior and Junior Competition do NOT apply during the Final Series, when all Finals matches must be played out until a result is achieved. Refer 24 (I).

17. UMPIRES & SUPERVISORS

- (a) **Home & Away Matches – Senior & Junior Competition:** Umpires may be arranged by either team or by the Junior Supervisor. If the entire match is being umpired, the home team has the right to appoint an umpire for the first set/rubber and thereafter the right shall alternate. Individual sets/rubbers may be umpired by either team or by the Junior Supervisor or his/her appointee.

For Junior matches – the home club shall provide a senior member to act as a Junior Supervisor and referee in the case of a dispute. **A Junior Supervisor must be in attendance at each venue used by the home club (includes 'outside' venue/s).** For 'D' Grade Junior matches, the home club should provide an additional supervisor/s for all home and away matches, who may be positioned on court.

However, for local Waverley Tennis matchplay, the following local modifications shall apply:

- Tracksuits may be worn during the warm-up period and only during match play in inclement weather.
- No ripple soled shoes and no black or coloured marking soled shoes (on acrylic courts) shall be worn at any time. Home clubs shall have the right to refuse the wearing of footwear that they consider could cause damage to their court surfaces.

Clubs shall monitor compliance to these CORRECT TENNIS ATTIRE DRESS REGULATIONS and shall report any flagrant breaches in respect to incorrect clothing or footwear to the Waverley Tennis Match Committee Convenor.

20. POINT SCORE

Points will be awarded to each team as follows:

- 2 points for a winning match
- or, 1 point for a draw or wash-out or where result has not been reached, or, 2 points for a forfeit (to non-defaulting team only)

plus

- 1 point for each winning set (no points allocated for winning rubbers),
- half a point for each uncompleted set (rubber to be taken to 2 sets unless it is the third set that is uncompleted).

If a set or rubber is forfeited during the match, the non-offending team shall receive one point for each forfeited set. (rubber to be taken as 2 sets). Where the complete team is not in attendance and this is deemed a forfeit as per By-Law 12 the non-offending team shall receive one point per set (each rubber to be taken as 2 sets).

Note: Forfeiting teams do not receive any points for unplayed sets. See separate By-Law re club fines. In the event of a complete washout, a team can only gain a maximum of half the match points but a team can lose points if it plays an ineligible player.

If a set or rubber is forfeited during the match, the non-offending team shall receive one point per forfeited set or rubber. Where the complete team is not in attendance and this is deemed a forfeit as per By-Law 12 the non-offending team shall receive one point per set or rubber.

21. MATCH RESULTS

Emergency players must also be written on scoresheets as an emergency.

For a Junior match, date of birth, previous playing experience and personal grade (when known), must be provided.

For a Senior match, previous playing experience and personal grade should be provided.

JUNIOR DEVELOPMENT SQUAD

Junior Development Squad Program

The Waverley Tennis Junior Development Squad is a series of progressive squads where players can enter at the appropriate level and be guided through their development to ultimately become more complete and successful tennis players.

Each squad caters for players at different stages of their tennis development.

Aims:

1. To provide supplementary training to enhance the player's private coaching program, and enable the player to hit regularly against players of similar standard.
2. To provide a clear and co-ordinated pathway for junior players towards achieving their own optimal performance.

Goals:

- Individual Player:**
- Advancement through squad levels.
 - Participation in junior tournaments in metropolitan and country areas appropriate to the player's development level.
- Association:**
- Provision of competent players for participation in Inter Association challenge matches, tennis carnivals and Junior Pennant Competition conducted by Tennis Victoria.

Squad players are required by the Association to participate in a minimum of two (2) tournaments conducted by Waverley Tennis in the same calendar year.

For further information, contact Lyn Gillen, Junior Development Squads Liaison Officer, on 9802 1002, by email: junior.squads@waverleytennis.asn.au or look under "Junior Squad Info" on the website.

WAVERLEY TENNIS HOT SHOTS MATCH PLAY

Waverley Tennis is embracing the ANZ Tennis Hot Shots Match Play concept and offers an innovative and exciting junior modified 'starter' competition on an inter-club basis **and which is now open to all Waverley Tennis Affiliates.**

Waverley Tennis is in partnership with Tennis Victoria in offering and promoting Hot Shots Match Play and encourages all Club Junior Convenors and Club Coaches to seriously consider entering teams into the competition.

Modified balls, smaller courts and time friendly formats are just some of the key features of this innovative competition aimed at getting young tennis players interested in the game of tennis and, in particular, competition tennis.

Parents join in the fun and assist the players on-court in their matches while both players and parents learn the fundamentals of the game.

Competitions are held in each school term and consist of 5 weeks of home & away matches followed by a finals day for BBQ and presentations.

The Waverley Tennis Hot Shots Match Play is currently conducted on Sunday mornings and offers two competitions:

10/u orange ball competition (ages 7-10) from 9:15 a.m. - 10:15 a.m.

11/u green ball competition (ages 9-11) from 10:30 a.m. - 12:00 noon.

Matches are time based, orange ball up to 20 minutes of play per set and green ball up to 30 minutes of play per set and/or first to 4 games, whichever comes first.

Each player plays one singles and two doubles matches in the allotted time of 60 minutes (orange ball) and 90 minutes (green ball).

All Waverley Tennis Affiliates are invited to submit teams to Waverley Tennis Hot Shots Match Play in each school term. Term details are on the Hot Shots page of the Waverley website.

For more information on Waverley Tennis Hot Shots Match Play please contact the following Waverley Tennis official:
Hot Shots Match Play Registrar, Jim Birch, 0401 712 306

FINALS PROCEDURES

(For guidance of all Junior Convenors and Supervisors and all Team Captains and Match Committee Representatives.)

1. The 'Home Team' is the team listed first on the Draw Sheet, i.e. the team on the left-hand side of the Draw Sheet.
It is the responsibility of the Home Teams to enter the results on-line by Sunday 8:00 p.m.
2. Both participating teams are to provide afternoon tea (tea, coffee, milk, sugar, eats) and to offer afternoon tea to their supervisors.
The participating teams SHOULD leave the facilities offered to them in a clean and tidy state.
3. The home clubs are to provide the balls, courts, the amenities for the making of afternoon tea and a supervisor. Courts should be ready for play at least fifteen (15) minutes prior to the official commencement time of the match.
4. In some instances, Clubs are required to provide courts only. Again, the courts and facilities should be open and ready for the arriving teams and supervisors at least fifteen (15) minutes prior to the scheduled match time. SUCH VENUE CLUBS SHOULD ENSURE THAT SATISFACTORY LOCKING-UP ARRANGEMENTS ARE IN PLACE.
5. A designated finishing time for both Junior and Senior matches does not apply for Finals. Where possible it is essential that an effort is made to keep playing a match until a result is achieved, even if it means continuing after the normal finishing time.

In the event of a total washout, or an unfinished match, the home club supervisor shall phone in the exact position of the matches and shall retain the scoresheets and, if the matches have been able to commence, the tennis balls. The scoresheets (and balls) should then be brought by the **home club supervisor** to the continuation of the match, as announced.

FINALS PROCEDURES (cont'd)

6. SUBSTITUTE PLAYERS:

The use of Substitute Players in Final Series matches must be strictly in accordance with By-Law 15 (and By-Law 11).

Clubs wishing to substitute players in resumed matches should seek the approval of the Tennis Association, preferably in writing, before making substitutions on the day of the resumed matches.

In cases of doubt, contact the Match Convenor or the relevant Record Secretary for advice and/or decision.

For Finals matches only, the Junior Triples can add up to 2 substitute players as per By-Law 15 (e). When used, the pairings are as per the 2 columns highlighted in green under "Finals Only" in the example scoresheet to the right.

7. In the event of a draw, refer to By-Law 24 (f) for method to decide the winning team.

8. When a 'cut throat' FINAL SERIES IS BEING PLAYED, 1st plays 4th and 2nd plays 3rd in the Semis; the two winners play off.

The Grand Final shall be at the venue of the team finishing in the higher position (Refer By-Law 17b & 17c).

9. CAPTAINS' EXCHANGE OF PLAYERS' NAMES - REF. BY-LAW 13

Before the commencement of any Finals match, the opposing captains MUST pass their separate lists showing names of players in order of play to the home club supervisor who will fill out the scoresheets on behalf of both captains.

Scoresheets should then be readily available throughout match for reference, as required. Once scoresheets are filled out, the playing order cannot be altered.

10. INCLEMENT WEATHER - REF. BY-LAW 23

Should a FINALS match be uncompleted because of inclement weather, the provisions of By-Law 21 shall apply. Team captains should read and understand this important By-Law before going to the match. Junior tennis organisers should also be fully conversant with the provisions of the By-Law.

FINALS PROCEDURES (cont'd)

11. UMPIRING/SUPERVISION: JUNIORS

The provisions of By-Law 17 apply. During the final series, the home Club must have a SUPERVISOR IN ATTENDANCE FOR EACH "D" GRADE JUNIOR MATCH being played. Such supervisor must be positioned on court. Only one supervisor per court is permitted, and no parent is to supervise their own child's match.

It is also noted that, in JUNIOR FINAL SERIES MATCHES, the home Club is to provide a SENIOR MEMBER to act as a SUPERVISOR AND REFEREE. This applies equally to those situations where the home Club is using another club's courts for the convening of the match.

All adult supervision should be thoroughly conversant with the By-Laws under which the matches are being played and with the Rules of Tennis.

Clubs providing courts only will NOT be providing any adult supervision, and are not to be expected to do so.

12. UMPIRING SUPERVISION: SENIORS

In accordance with Waverley Tennis By-Law 17 (b), for each final match, the home team shall provide a Senior Supervisor. He/She shall not be a participating player in any senior team on the day. Any outside Venue used shall also require an additional Senior Supervisor.

13. JUNIORS / SENIORS SINGLES / DOUBLES RUBBERS

In Finals, the two Singles Rubbers are to be played first, followed by the Doubles rubber. Note exceptions in By-Laws 8(c), (d) and (e). In this instance the home club may decide which match plays Doubles rubber first.

DUTIES OF THE VENUE SUPERVISOR ARE AS FOLLOWS:

- a. Ensure that the club facilities are open, that courts are ready to commence play at the official starting time, and that scoresheets have been provided.
- b. The Venue Supervisor must introduce themselves to visiting clubs prior to the match commencing, and the lanyard **must** be worn for the duration of all matches at each home venue used by a club.
- c. Should know and apply the Waverley Tennis By-Laws, Rules of Tennis, Correct Dress Regulations and the Code of Conduct and be able to make decisions, while maintaining a commonsense approach.
(Rules for Non-Umpired Matches and Correct Tennis Attire are detailed in the current Handbook).
- d. Keep a visible presence near the courts you are supervising for the duration of the match.
- e. For Code of Conduct infringements, a verbal warning can be made to the player/s or spectators. If the problem continues (e.g. repeated bad language, racquet or equipment abuse) a written report should be forwarded to Waverley Tennis Committee of Management. (By-law 28)
- f. On issues such as foot faulting, teams may be invited to nominate persons to umpire and provide a foot fault judge for the remainder of the match.
- g. To assist players in the resolution of scoring disputes as per the Rules for Non-Umpired Matches.
- h. To ensure that off court disturbances are kept to a minimum without interfering in smooth flowing matches. Always be approachable, calm, consistent and fair.

If in any doubt about any issue, please use the "Hotline" for further advice and assistance.
