

EXTREME WEATHER SUMMARY – JUNIORS

Wet, Heat, Wind, Storm, High Winds, Smoke

? DOUBTFUL WEATHER

01 SUPERVISOR DISCRETION

At all times the Home Junior Venue Supervisor has the sole discretion to declare washouts and heatouts. (Note that Waverley Tennis officials may also declare the matches unplayable due to weather.)

02 ATTEND BOTH VENUES

On days of doubtful weather, teams must attend both home & away match venues, unless advised otherwise by the HOME Club Junior Convenor. Just because it's raining in your area does not mean that the opposing team's courts are also wet.

03 DO NOT CONTACT OPPOSITION

Players and parents should NOT contact the OPPOSITION CLUB for details. Wait until you are contacted by your Club.

04 If the weather makes the match unplayable then:-

Junior Venue Supervisors are responsible for deciding when to stop play based on current court conditions, the possibility of more bad weather, and the ability to get the courts ready in time to finish matches. A team leaving without the permission of the Junior Venue Supervisor may result in a forfeit.

05 HELPING HANDS

Parents and supporters of both teams should be ready to ASSIST in making courts playable, if needed.

⚠️ EXTREME HEAT POLICY SUMMARY (temperature as listed on BOM.gov.au)

35°C

THRESHOLD

When the temperature reaches **35°C**

STOP PLAY

Matches in progress **MUST** be suspended at the completion of the current GAME, and

New games **MUST NOT** commence until the temperature is less than **35°C**.

Despite all of the above, play may be cancelled below this temperature with consent sought by the Junior Venue Supervisor of all captains at the Home match.

The safety of players is always the top priority. Waverley Tennis supports and follows the Policy of Tennis Australia, which can be found at [Tennis Australia Weather Policy](#).
